

Trek's Travels –

All about texture

1. What did Crow eat that was slippery?

2. Can you remember what food was soft and juicy?

3. What food did Seagull eat that was crisp and soft and chewy?

4. Trek had some food that was cold and smooth and creamy – what was it?

5. What did Wagtail eat that was rough and dry?

All about food

1. Have you ever eaten an ice-cream?

2. Was it hot or cold?

3. Can you describe a peach?

4. Is it hard or soft?

5. Can you think of a crunchy food?

6. Do you know what a pizza is?

ACTIVITY –

Join the dots and colour.

Aim: to practice pencil control and count to ten.

ACTIVITY –

Colour the picture using the key.

red = 1 yellow = 2 blue = 3 green = 4

Colour the tablecloth red and white.

Aim: to recognise colours and follow a key.

Trek's World Travels

Where in the world does Trek learn about texture?

Italy
