Tap this icon to be taken to the Printable activity section
This section includes a variety of printable activities related to a number of subject areas such as colour, letters, location, matching, numbers, sets, shapes, sizes and time. These can all be printed.

Tap this icon to be taken to the Story book section
This section includes Story Corner, Nursery Rhymes and Songs
In this section, you will be taken to a different interface

Tap this icon at any time to be taken back to the EWOL homepage

This icon forms part of the menu located at the bottom of the screen.
Tap this icon to access other World Book Online products your subscription includes.

This icon forms part of the menu located at the bottom of the screen.
Tap this icon to access the Educator Centre which is a comprehensive resource centre for teachers.

4. How to read a book:

Tap the Read icon. This icon is now highlighted to let you know which section you are in.

Example: Trek's Travels

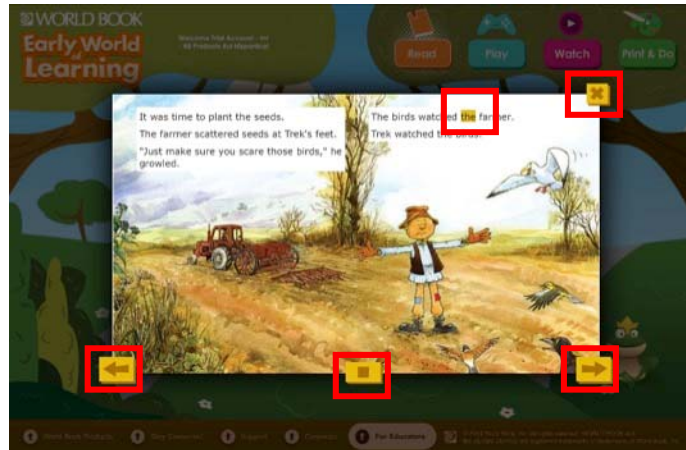

Tap either icon displayed in the centre of the screen to enter that section.

Once tapped, a new screen will appear.

Trek's Travels:

1. To select a story to view, scroll by swiping your finger up or down the screen over the titles listed.
2. Once you have selected a story to view, tap the title. You know it has been selected when it is highlighted and the cover appears to the left.
3. To open the title, tap 'Open' or the thumbnail cover image on the left hand side. The story book will then open.
4. A number of related materials will appear at the bottom, these include play activities, film clips, readable facts, and images. To view any of these, simply tap the thumbnail image and it will automatically appear.

Once in the title the book will begin reading aloud and turn through the pages automatically. Each word will be highlighted as it is read aloud.

1. To turn this function off, tap the middle "Stop/Pause" button at the bottom of the page.
2. To browse through the pages, tap the appropriate arrow located on the left and right hand sides of the page.
3. To close the book, tap the 'x' in the top right corner.

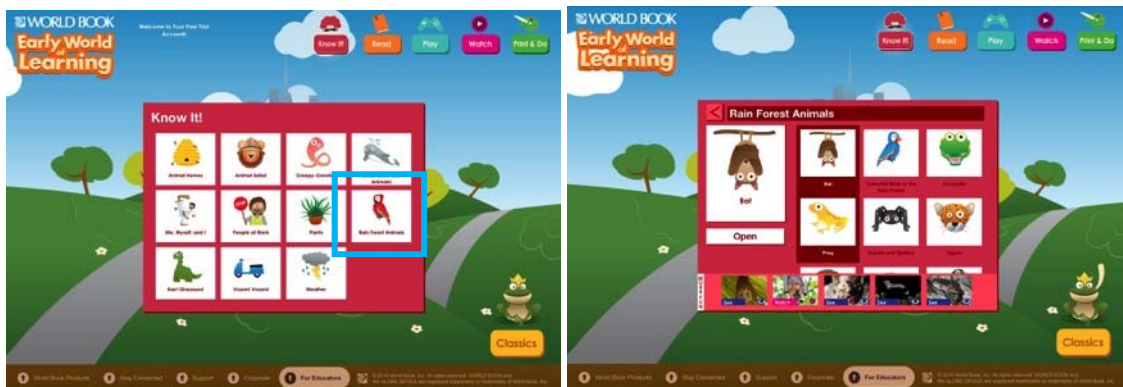

To return to the 'Read' homepage, tap the 'Read' icon to explore Welcome to Reading.

Welcome to Reading

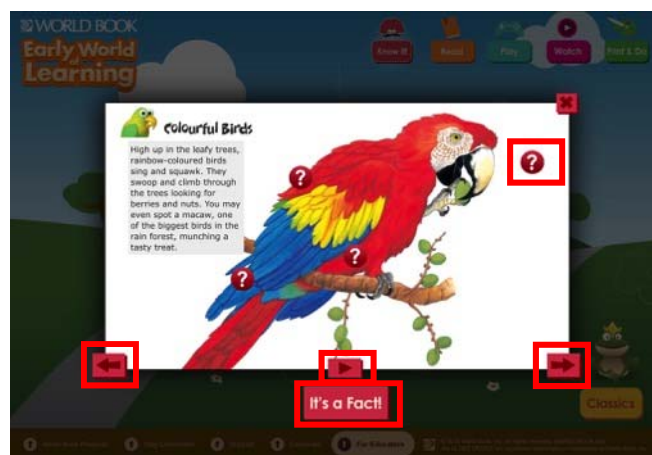

To view a book by reading level, simply tap the Level A, B, C or D located on the right-hand side. To view all the books in a level, swipe with your finger up or down the screen over the titles listed.

5. How to navigate the Know It! section

Browse by subject: To browse the subjects, simply tap on the subject, e.g. Rain Forest Animals. See image above for example.

View a subject item: To view an item within that subject area you use the same actions as you would when selecting a book to read. Scroll by swiping and then tap the title you would like to view so it is highlighted then tap 'Open' or the image in the box to the left.

Tap to view information on the topic.

Tap to activate the read aloud function.

It's a Fact!

Tap to view an interesting fact.

Scroll through other pages by using the arrows located on the left and right of page.

Tap the 'x' to close. This will return you to the subject homepage.

Tap arrow to return to *Know It!* homepage. To exit *Know It!* and explore elsewhere, tap the icon related to where you'd like to explore next.

6. Using the Key features – Play section

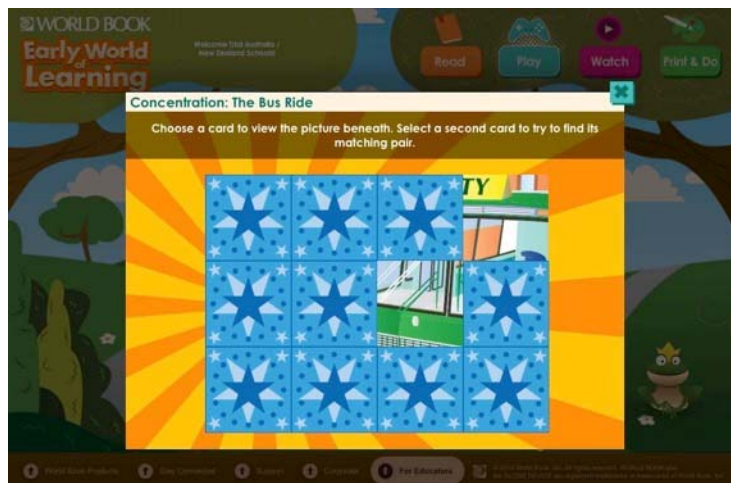

Put the Story in Order:

Key motion required in playing this game is **drag**.

Drag the section of the story to the appropriate place by placing your finger on an image then dragging the image to the correct place.

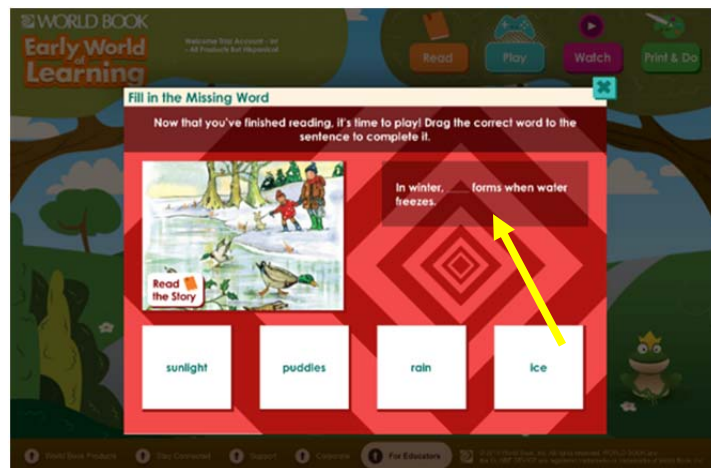

Concentration:

Key motion required in playing this game is **tap**.

Choose a card to view the picture beneath. Select a second card to try to find its matching pair.

Multiple Choice:

Key motion required in playing this game is **drag**.

Select the word you think correctly completes the sentence by dragging the right word up to the sentence.

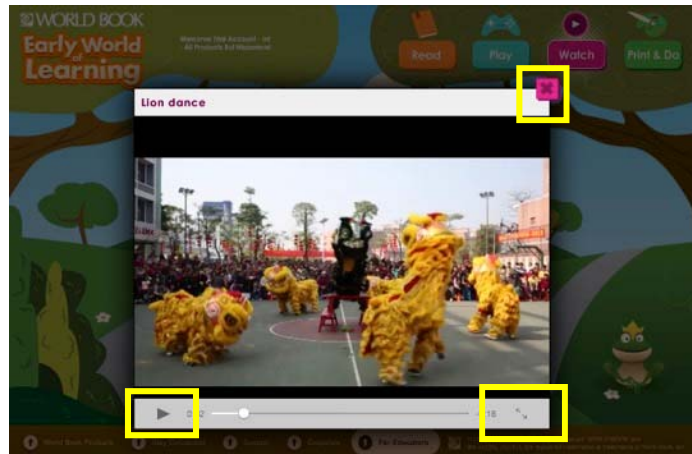

Sorting:

Key motion required in playing this game is **drag**.

Drag the image to the appropriate bucket located below by placing your finger on an image then dragging the image to the appropriate bucket below.

7. Using the Key features – Watch section

The Pause, Stop and Play function is located in the bottom left corner of the video clip screen. You can view the video clip in full screen by tapping the arrows in right corner.

To close the video box, tap the 'x'.

To browse more clips, tap the Categories icon once the video clip box is closed.

To move out of the Play section, tap the icon related to where you would like to explore next.

8. Using the Key features – Print & Do section

Download/Print:

Tap to download activity sheet.

Tap to print activity sheet. Note: a printer has to be already setup to your iPad.

A new window will open in your browser containing the activity.

9. Using the Key features – Story Corner, Nursery Rhymes, and Songs section

To access this section, tap the frog.

There are 3 different sections included in here:

1. Story Corner
2. Nursery Rhymes
3. Songs

To go back to the other interface at any point, tap either the Home icon, the Prince icon or the title Early World of Learning.

Tap the appropriate icon to view its contents.
