Changing Seasons

Some places have _____ seasons called spring, summer, autumn, and winter. Each season brings its own kind of weather. As the weather warms up and cools down, look out for all kinds of _____ that happen.

In _____, there are lots of rain showers and new flowers. The _____ begins to shine more warmly, too.

In _____, the sun is high in the sky and shines brightly. This is the _____ time of the year.

In _____, it may start to snow. This is the _____ time of the year.

In _____, some leaves change colours and the days turn _____.
