

## How to view an eBook...

Below is an example of viewing *Building Blocks of Life Science 2: Animal Life Cycles*.

1. To open an eBook click on the cover of the eBook you want to read and then click 'Open'.

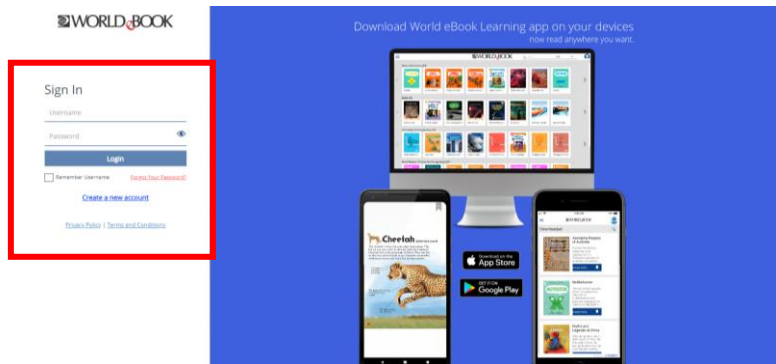

If you have not already signed into your personal eBook account you will be prompted with this pop-up.

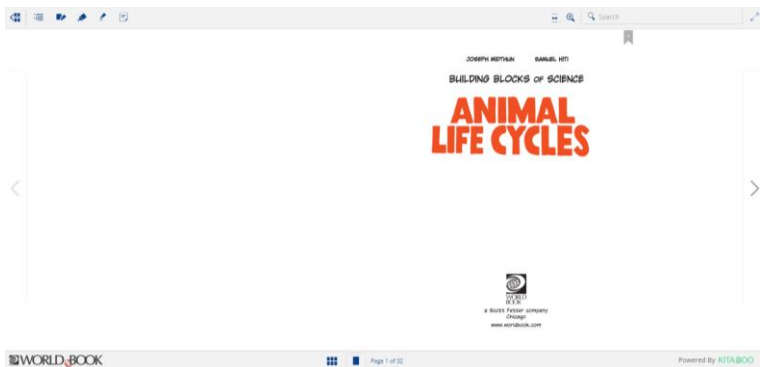

The pop-up is asking you if you would like to sign-in into your **personal eBooks account** so any edits you make are saved. Click **'Yes'** to continue as a guest (this means any edit you make whilst viewing this book will not be saved) or **'No'** to sign-in to your personal eBook account.

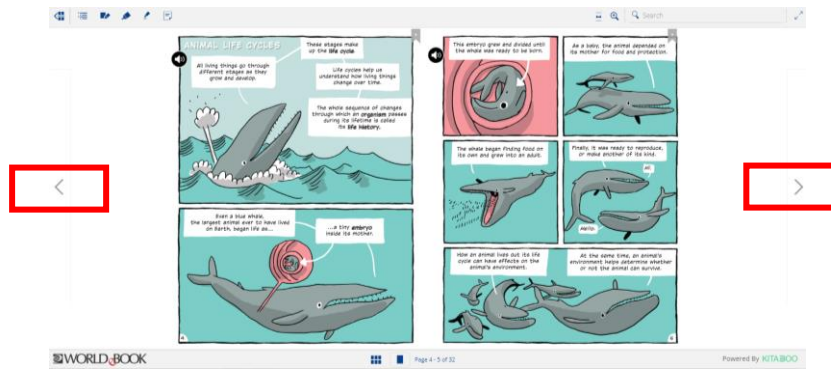

If you click 'No' and want to sign-in you will be taken to the login page. Use your **personal eBook account** details to sign-in. If you don't have an account but you would like to create one, you can on the login page by clicking 'Create new account'.

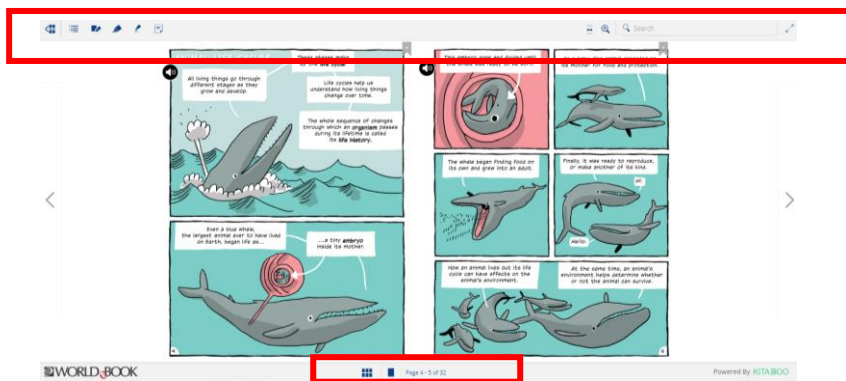

2. Now the eBook is open and ready to read!

- Use the arrows located on either side of the page to flip the pages backwards or forwards

- Use menu bars located at the top and bottom of the eBook to do the following:

- |  |   |
|--|---|
|  | Go back to Bookshelf (i.e. main page)                   |
|  | Contents  |
|  | My Data – view all of your saved notes, highlights etc. |
|  | Highlight   |
|  | Pen   |
|  | Sticky Note   |
|  | Fit Width (expand page to fit space)                    |
|  | Zoom in / zoom out                                      |
|  | Keyword search within eBook                             |
