

# EARLY WORLD OF LEARNING

**NEW! COMPLETELY REDESIGNED AND UPDATED!** Produced with advice from experts in early childhood development and education, *Early World of Learning* is the leading online resource for young children, offering three beautiful, interactive learning environments designed for easy integration into classroom and library programming: **Trek's Travels**, **Welcome to Reading**, and **Know It**.

## KEY FEATURES:

- Includes three complete interactive learning environments.
- Rich collection of educational, interactive games.
- Robust collection of educator resources, including an educator guide and print-and-do activities.
- Configurable settings and measures by The Lexile® Framework for Reading in **Welcome to Reading** and **Trek's Travels**.
- Each story features narration by a human voice. A wide variety of voices expose children to expressive readers of different genders and ethnicities.
- Educational resources facilitate integration of content into classroom curriculum, from group instruction to independent and small-group study.

Personalised welcome message includes your institution's logo.

Simple, consistent navigation makes exploration fun and easy.

**"Highly recommended."**

-Multimedia & Internet@Schools
