Chefs work with \_\_\_\_\_ almost all day! Chefs are head \_\_\_\_\_. They work in \_\_\_\_\_, hotels, cafeterias, and in homes. Chefs tell \_\_\_\_\_ and other kitchen workers what to do. They write \_\_\_\_\_ and plan menus. Chefs also help prepare and cook the food.

An \_\_\_\_\_ protects a chef's clothing from food splashes and spills.

Chefs usually wear a tall white hat called a \_\_\_\_\_.

A chef uses a \_\_\_\_\_ to make sure the food is the right temperature to serve.

A chef helps plan the \_\_\_\_\_. A menu is a list of foods in a meal.
