

To help you complete this worksheet, use the My Body book.

Everyone's face is \_\_\_\_\_! Your face is the part of your body that shows people how you \_\_\_\_\_ inside. Crying can mean that you are feeling \_\_\_\_\_. Smiling shows everyone that you are \_\_\_\_\_.

When you are happy, your mouth curls up into a big \_\_\_\_\_!

Lots of \_\_\_\_\_ help stop specks of dirt from getting into the eyes.

Your \_\_\_\_\_ may wrinkle when you are mad.

Some people's cheeks turn \_\_\_\_\_ when they are warm.

Your \_\_\_\_\_ is at the very bottom of your face.

Strong, rock-hard \_\_\_\_\_ are for biting and chewing food.

Your nose tells you if a \_\_\_\_\_ is nice or nasty.
