

To help you complete this worksheet, use the *On the Move* book.

Small Boat

Floating on the _____ in a small boat is great fun.
You can sit in a _____, like the one in the big picture,
and let the _____ blow you gently along. A sailboat often
tips and rolls in the waves, so remember to hold on tight!

A life _____
helps keep you
safe if you fall into
the water.

The _____ is a
good place to
store a picnic
basket!

A tall, strong mast holds
up the _____.

To move the sail,
you pull on a thick
_____.

The wind blows
against the
large sail and
_____ the
boat forward.

You move the
_____ to make
the sailboat turn.

The _____ floats
in the water. There
is room for a few
people to sit inside.
