## Triceratops

Triceratops was one of the \_\_\_\_\_ dinosaurs to roam Earth. This gigantic beast plodded around, looking for tasty \_\_\_\_\_ to eat. It probably gathered with others of its kind in large groups called \_\_\_\_\_.

These \_\_\_\_\_ pointed horns were useful weapons.

A bony neck \_\_\_\_\_ made Triceratops look scary.

Triceratops sliced up tough leaves and twigs with its sturdy \_\_\_\_\_.

Triceratops had stumpy legs with short, fat \_\_\_\_\_.
