

Enjoy and learn with WORLD eBook

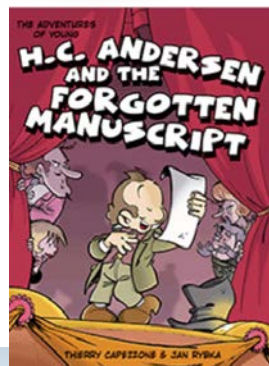

Access the library from your living room! With access to **over 2,500 titles** eBooks are great for all ages and available **24/7**. Users get **unlimited, simultaneous access** so everyone can read the same book at once. Read on your computer, or download the **free app** to read on devices and offline!

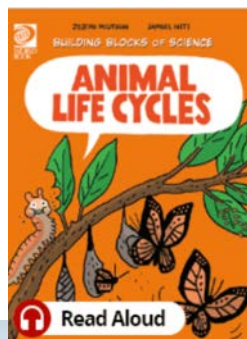

Check out the **Early Readers** collection for books with a read-aloud feature!

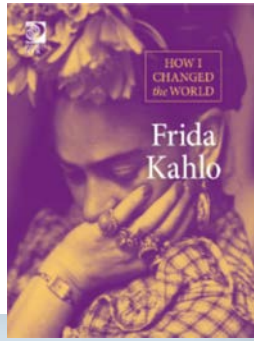

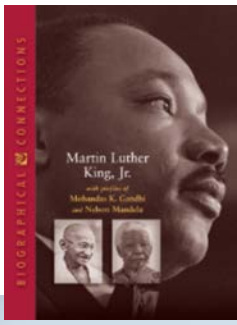

Reading for fun? Learn cool facts on a variety of topics here!

Enjoy graphic novels? We have plenty!

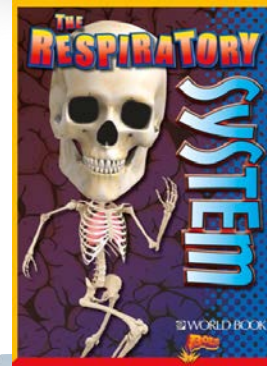

You can also customise your collection - create an account and save books to favourites, mark them up with notes, and more!

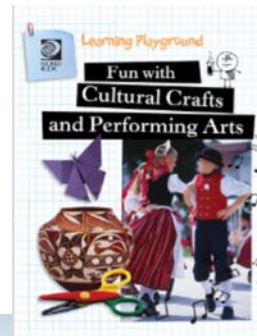

Want to learn about a person or place? Check out **biographies** or **cultures of the world**.

A range of collections cover
Science
Technology
Engineering
Math

Looking for a fun activity? We have those too!

Puzzles

We have **Accelerated Reader** titles and many of our books contain short quizzes, games, or puzzles!
