

*Thank you for choosing Wizard! Please share the details below with your educators.*

Welcome to World Book Wizard, a personalised learning tool designed to reinforce the curriculum. Use the pre-created exercises to assign content to students and gain valuable insight into their path towards mastery!

To begin creating your teacher accounts, follow the steps below:

- Enter World Book Online
- Click *Wizard* from the super homepage

- Access the [Wizard](#) login page.
- **Log In:** If you already have a World Book Account (My Research), enter your username and password.
- **Create an Account:** If you do not have a personalised account yet, create one to use the feature.
- The first time you enter you will be prompted for a **teacher code**. **This will be sent to your account administrator.** (This is only required once).
- You should now see your personal teacher dashboard.
- Set up classes and invite students to join them so you can assign drills and courses for them to do.
- Let the magic of *Wizard* help teach your students!
