LOCAL CONTENT

Our Australian and New Zealand editor brings a wealth of local knowledge and expertise to our content creation and updating processes. This means that we can offer you even more relevant, accurate, and engaging content tailored specifically to the Australian and New Zealand curricula.

TIMELINES

Hundreds of pre-generated timelines across eight broad topics cover various historical time periods or span the life of historical figures. Can be used as-is, customised, or built from scratch. Annual Subscription included with Kids, Discover, Student and Advanced.

EDITORIAL EXCELLENCE

Our editors' rigorous writing, fact checking, and readability standards provide both thoroughness and expertise. Our goal is to provide the most relevant, important, and timely information to allow for a clear understanding of a topic.

CUTTING-EDGE TECHNOLOGY

In addition to ongoing enhancements and added features, digital content is updated in real time as new facts, information, and subjects emerge.

DISGUISED LEARNING

Image-based navigation, games, original videos, and activities are included to make learning interactive and fun. Intuitive browsing capabilities make World Book's digital product offering an information hub for the library, classroom, and beyond.

UNPARALLELLED SUPPORT

Our dedicated support team includes professional development specialists, a customer service team, and local educational consultants - all of whom strive to maximise the benefits of your subscription.
